

A series of decorative colored dots (orange, red, purple) and thin lines are scattered around the code, with some lines connecting specific parts of the code to the dots.

```
public static float median(int[] array) {  
    float b;  
    if (array.length % 2 == 1)  
        b = array[array.length / 2];  
    else  
        b = (array[array.length / 2 - 1] + array[array.length / 2]) / 2f;  
    return b;  
}
```
