

```
public static int sumArray(int[] array) {  
    int result = 0;  
    for (int i = 0; i < array.length; i++) {  
        result = result + array[i];  
    }  
    return result;  
}
```

A diagram consisting of several colored circles (yellow, orange, purple, red) connected by thin lines. The circles are scattered across the code, with some overlapping. Lines connect circles of various colors, including yellow, orange, purple, and red, creating a network-like structure over the text.
